Re: Letter of Intent
Expansion of Bon Secours St. Francis Medical Center's
MRI Services Through the Relocation (and Replacement)
of an MRI Unit

Dear Mr. Bodin:

I am writing to advise you that Bon Secours – St. Francis Medical Center, Inc. (“St. Francis”) and Bon Secours – Virginia HealthSource, Inc. (“HealthSource”) intend to file a Certificate of Public Need application for the expansion of St. Francis’ MRI services on its hospital campus in Midlothian, Virginia (Planning District 15), through the relocation of a magnetic resonance imaging (MRI) unit from the Bon Secours Midlothian Imaging Center, which is owned and operated by HealthSource and also is located in Midlothian (Planning District 15). St. Francis anticipates replacing the MRI unit in connection with the proposed relocation.

Please send the appropriate application forms for this undertaking at my office address of 110 Kingsley Lane, Suite 511, Norfolk, VA 23505 and via email at louise.edwards@bshsi.org.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Louise B. Edwards".
